**By Mafa Kwanisai Mafa**

The killing of the Iranian Commander, General Qassem Soleiman, and Commander of the Iranian Revolutionary Guard Corps (IRGC) Quds Force is really sad and totally uncalled for. He was murdered in Baghdad by the US military drone attack at the direction of the racist and fascist leader Donald Trump. The Iranian Revolutionary Guard Corps played and still continue to play the most crucial role in neutralizing Al Qaeda, ISIS and other terrorist formations in the Middle East. Iran also supports the Palestinian freedom cause and it's an ardent anti-imperialist force in the region.
